

INVINCIBILI TRE (GLI)

In Atra city the situation is tense: on one side an oppressor, who illegally calling himself Ursus, and his black soul, Teomaco, on the other side Prince Pario, young, fair and combative. The real Ursus and his friends, Capriolo and Manina, arrive in the city and quickly they are involved in fights with mercenaries of the oppressor. The real Ursus is supported by Prince Dario and Queen Alina and in the end justice is done and peace is restored.
