ISOLE DELL’ AMORE – BALI (LE)

It is an intelligent inquiry about a long, authentic story, because it is seen from the “savage” point of view, for the first time, and not that of the western tourist. Polynesia is beyond the normal world, beyond all the rapid communications of war and catastrophes, it exists to live in a continuous game of freedom. What is surprising is the sincerity of acts, the natural passing of time, as if the world were not centuries old, and it is to be seen in the changeable and wild girlhood in the depth eyes of the women of Tahiti, who don’t understand shame, because they really live in beauty.
