

MA IL BUON DIO E' PROPRIO IN GAMBA?

Gary Clemons is an outlaw: on his head hangs a big price. He is carefully going to Mexico, when he meets two children, brother and sister, who escaped the massacre of a group of pioneers. Gary doesn't know what to do about the two boys: he'll leave them to their fate. Here starts the adventurous trip of Gary and the children, who are orphans and were originally directed to Tucson, where their uncle Pat is waiting for them.
